Dear Principal Wong,

Re: Achievements of Your Graduates

We are ecstatic to welcome the academic year of 2024-2025 by sharing with you the commendable achievements made by your graduates in the past few years. We would like to share the delight with you by attaching a list of notable recognitions which your graduates have been rewarded.

With God's grace and the joint effort of the school community, the spirituality of students is nurtured and academic progress has been made. This year, 88% of our candidates met the 332A2 university entrance requirement, and around 90% of them received JUPAS offers and offers from Bachelor's Degree programmes in Hong Kong. In recent years, the disciplines in which graduates have enrolled are very diversified, including Medicine, Speech-Language Pathology, Dental Surgery, Veterinary Medicine, Physiotherapy, Optometry, Biomedical Engineering, Radiography, Architectural Studies, Applied Artificial Intelligence, Social Sciences (Government and Laws) and Laws (double degree), International Business and Global Management, Professional Accountancy, etc. We are particularly motivated by this result.

Our students have shown their potential and been recognized as outstanding students both at team and individual levels. They achieved the Gold Award and the Championship in the Asian English Usage Contest "Arch Cup" and the Harvard GlobalWE English Writing Competition respectively. Additionally, our Robotics Team won the Gold Award at the Hong Kong Inter-school Sumo Robot Competition and was invited to represent Hong Kong at the FIRST Tech Challenge Asia Pacific Open Championships 2024 in Sydney, Australia, where they earned the prestigious "Think Award." Our school's Wind Band traveled to the Yong Siew Toh Conservatory of Music to participate in the Singapore Raffles International Music Festival, where they also secured the Gold Award.

Sun Kei Secondary One Admission Talk 2025/2026 will be held soon. We would be grateful if you could distribute the leaflets to your students. The entirety of our recent achievements and development is shared in the enclosed school publication – Parents' Bulletins. We hope to witness the work of God with you. Should you have any enquiries, please contact our Vice Principal Mr. Liu Chi Yung at 2191 6022.

I cordially wish you all the best in your educational endeavours. I sincerely hope that our cooperation in facilitating children with life changing education will grow from strength to strength.

Yours sincerely,
